

ANDREW'S CANDELIGHTING CEREMONY

To light the first candle, come on up
The Hattem family
Leon, Sydell & cousin Noel
The heads of our family tree!

We'd like to call, for candle two
Aunt Aura & Uncle Mel
And someday when you can get a chance
Please teach Andrew how to sell!

The next candle is for Nicki,
Rick, Aunt Mac & Uncle Phil
Who insisted we have candlelighting
Despite Andrew's strong will

Candle 4 for is for the Nadlers
An incredible family
Cousins Brittany & Hayden
And for Jodi & L.G.

The next candle represents
The Freed from far away
Thank you Barbara, Ira, Wendy & Zoli
For coming to share this day

Candle No. 6 is for the Lalibertes
A group magnifico
There's Sam & Punky, Estelle and Everett
Plus Dolly and Uncle Leo

No. 7 is for the neighbors
Who are like our family
Their representatives are the Lightmans
Greg & Carla and Rosemarie

Candle 8 is for Brett Radin
Andrew's friend, the coolest of the cool
And he's the only reason
Why Andrew finished Hebrew School!

We'd like to call up big brother David
To light Candle No. 9
With George & Brian & Mee Lee
Who have been there throughout his life.

The next candle goes to brother Gabe
Who Andrew like to beat
It's never quiet in their home
When the two of them compete!

Candle No 11 goes to Janet
And to father Simon Freed
Who's buying Andrew a motorcycle
At least that's what he believes!

We'd like to call up Don and Lesly
For the next candle on the cake
They're happy that this day has finally come
And we're all here to celebrate!

The 13th candle Andrew will light
For the grandparents who have passed away
We know that deep within our hearts
They're here on Andrew's day.

Finally the last candle
Is for everyone who has come.
Andrew, make a wish, then blow
Party time has now begun!
